We have and will continue to be committed to implementing systems and controls aimed at ensuring that modern slavery is not taking place anywhere within our organisation or in any of our supply chains.

We expect that our suppliers will hold their own suppliers to the same high standards.

Our commitments:

We are a company that expects everyone working with us or on our behalf to support and uphold the following measures to safeguard against modern slavery:

Using our risk based approach we will also assess the merits of writing to suppliers requiring them to comply with our Corporate Social Responsibility policy, which sets out the minimum standards required to combat modern slavery and trafficking.
